September 13, 2017
Introduction to QRM
A short and concise four-hour introduction to the core principles of Quick Response Manufacturing and their application in high-mix, low-volume manufacturing environments.
Course fee: $125
Hilton Garden Inn, Oakdale, MN

October 11, 2017
How to Design Shop Floor Cells in High-mix, Low-volume Environments
Join us for this one day workshop to learn how to address challenges such as product mix variations, lack of ownership on shared resources, sub-contracting issues and challenges with lot sizing and MRP scheduling.
Course fees: Non-member, $425, QRM Center Member, $275*
DoubleTree by Hilton-Downtown, Madison, WI

October 12, 2017
How to Design Office Cells to Reduce Lead Times for Custom Products
At this hands-on workshop, attendees will work with data from real-life case studies to learn the process of designing office cells.
Course fees: Non-member, $425, QRM Center Member, $275*
DoubleTree by Hilton-Downtown, Madison, WI

November 1–2, 2017
How to Implement QRM
Comprehensive overview of the QRM strategy and its four core concepts. This hands-on workshop covers all aspects of QRM and provides a roadmap for implementation.
Course fees: Non-member, $1145, QRM Center Member, $695*
DoubleTree by Hilton-Downtown, Madison, WI

December 6, 2017
How to Use Manufacturing Critical-path Time (MCT) to Reduce Lead Time Throughout Your Enterprise
A comprehensive overview of QRM’s lead time metric, how to use it to drive improvement and the tools available to help you.
Course fees: Non-member, $425, QRM Center Member, $275*
DoubleTree by Hilton-Downtown, Madison, WI

February 21–22, 2018
How to Implement QRM
Comprehensive overview of the QRM strategy and its four core concepts. This hands-on workshop covers all aspects of QRM and provides a roadmap for implementation.
Course fees: Non-member, $1145, QRM Center Member, $695*
University of Wisconsin Fluno Center, Madison, WI

March 7, 2018
How to Design Shop Floor Cells in High-mix, Low-volume Environments
Join us for this one day workshop to learn how to address challenges such as product mix variations, lack of ownership on shared resources, sub-contracting issues, and challenges with lot sizing and MRP scheduling.
Course fees: Non-member, $425, QRM Center Member, $275*
DoubleTree by Hilton-Downtown, Madison, WI

March 14, 2018
How to Design Office Cells to Reduce Lead Times for Custom Products
At this hands-on workshop, attendees will work with data from real-life case studies to learn the process of designing office cells.
Course fees: Non-member, $425, QRM Center Member, $275*
DoubleTree by Hilton-Downtown, Madison, WI

April 11–12, 2018
How to Implement POLCA
POLCA is a card-based production control strategy designed for high-mix, low-volume environments. Join us for this workshop for a comprehensive overview and run a factory on POLCA and Kanban during a hands-on simulation exercise.
Course fees: Non-member, $1145, QRM Center Member, $695*
DoubleTree by Hilton-Downtown, Madison, WI

*QRM Center member organizations may enroll up to five people at the member rate.
